

ENESPRO® 20 CAL
ARC FLASH KIT

Enespro® 20 Cal Arc Flash Kit

EN20KTWUNB02_ _ *Shown
(With lift front shroud)

EN20KTWUNB04 *Not Shown
(With XTR faceshield & balaclava)

ENHANCED MOBILITY

- Ergonomic design enhancements provide improved fit & function in high-mobility areas
- Extended stretch paneling under arm and across back allows for full range-of-motion

COMFORT IN CRITICAL AREAS

- Knit panels offer advanced comfort where you need it most

CONVENIENCE

- 14-inch leg zippers for easy donning and doffing
- Hi-Visibility accents on zippers help to quickly identify gaps in coverage

FLEXIBLE FIT

- Adjustable Flex Fit shoulder straps & elastic bib waist help the suit to conform to different body sizes and types

ENHANCED VISIBILITY

- FR 3M™ Scotchlite™ Reflective Comfort Trim enhances visibility in low-light environments

VISUAL CLARITY

- PureView™ faceshield provides full spectrum color recognition

PREMIUM STORAGE

- Spacious storage with padded compartments and a waterproof coating ensure the equipment is protected during storage and transport

ARC RATING: 20 cal/cm² | CAT 2

MATERIAL: 13 Oz. FR Cotton Blend
