

DRIFIRE® FR PANTS

**A MODERN
FR PANT PLATFORM
BUILT FOR REAL WORK.**

DRIFIRE® FR PANTS ARE A MODERN FR PANT PLATFORM BUILT WITH THE DETAILS THAT MATTER MOST.

Designed around real wearer preferences, with fit options that make sense, durable construction where it matters, and job-ready function built for everyday work.

FIT THAT MAKES SENSE

Clear options built around how you like your pants to wear on the job.

DURABILITY WHERE IT MATTERS

Reinforced in the places work pants typically fail first.

COMFORT FOR LONG DAYS

Built to move through the shift without fighting the garment.

FUNCTION BUILT FOR THE JOB

Purposeful details that support movement, utility, and all-day wear.

DRIFIRE® SLIM STRAIGHT LEG FR JEAN

Built for wearers who prefer a modern, streamlined fit without sacrificing comfort, durability, or protection. Made from lightweight FR stretch denim, this jean delivers flexible comfort through long shifts and active work, with less bulk through the seat and thigh.

SLIM STRAIGHT FIT

A clean, low-bulk look that still allows room to bend, climb, crouch, and move.

LIGHTWEIGHT STRETCH DENIM

11 oz. FR stretch denim delivers a lighter feel with the flexibility needed for active work.

NAVY RINSE

A versatile dark denim wash with a clean, polished look and everyday wearability.

MODERN WORKWEAR LOOK

A streamlined FR jean with a clean profile for wearers who prefer a more modern fit.

ARC RATING: 18 cal/cm² | CAT 2
COMPLIANT WITH: ASTM F1506, CSA Z462, NFPA® 70E, NFPA® 2112, OSHA 1910.269
MATERIAL: 11 oz. Lightweight FR Stretch Denim
SIZES: Waist: 30–50" | Inseam: 30–38"

Tool-Ready Details | Reinforced Construction | Boot Compatible

PNT-JSS01

DRIFIRE® RELAXED STRAIGHT LEG FR JEAN

Built for wearers who want dependable comfort, durability, and freedom to move through demanding work. Made from durable FR stretch denim, this jean offers a roomier fit through the seat and thigh with the toughness and comfort needed for long shifts.

RELAXED STRAIGHT FIT

Our roomiest jean fit gives you more space through the seat and thigh for easier movement.

STURDY STRETCH DENIM

12 oz. FR stretch denim delivers a more substantial work-jean feel with built-in flexibility.

DEEP INDIGO RINSE

A rich denim wash that looks sharp on the job and wears well over time.

CLASSIC JEAN STYLING

A familiar workwear look with functional details built for everyday jobsite wear.

ARC RATING: 21 cal/cm² | CAT 2
COMPLIANT WITH: ASTM F1506, CSA Z462, NFPA® 70E, NFPA® 2112, OSHA 1910.269
MATERIAL: 12 oz. FR Stretch Denim

DRIFIRE® RANGE FLEX™ PRO RELAXED FR WORK PANT

The next evolution of our Range Flex™ pant, delivering dependable performance without sacrificing comfort. Made from tough, flexible canvas, it's built to handle demanding conditions while moving with you throughout the day.

FLEX CANVAS

9.5 oz. flex canvas balances durability, stretch, and comfort without unnecessary bulk.

BUILT TO MOVE

A gusseted crotch helps improve range of motion through bending, climbing, and crouching.

DOUBLE-LAYER KNEE

Added durability in one of the highest-wear zones helps this pant stand up to tough work.

FEATURE-RICH DURABILITY

Triple-needle seams, reinforced stress points, multiple pockets, and workwear construction support demanding work conditions.

ARC RATING: 14 cal/cm² | CAT 2

COMPLIANT WITH: ASTM F1506, CSA Z462, NFPA® 70E, NFPA® 2112, OSHA 1910.269

MATERIAL: 9.5 oz. Flex Canvas

SIZES: Waist: 30–50" | Inseam: 30–38"

DRIFIRE® RIPSTOP RELAXED STRAIGHT LEG FR PANT

Built for lightweight performance without compromising durability, this pant is designed to handle tough conditions with ease. With ultra-durable Ripstop fabric, it resists wear while staying light and comfortable all day long.

LIGHTWEIGHT RIPSTOP DURABILITY

6.1 oz. GlenGuard FR Ripstop offers a lighter feel while helping resist tearing and ripping in demanding environments.

UTILITY-READY DESIGN

Cargo-ready storage keeps essential gear close, while angled front pockets improve access when working.

INDUSTRIAL WORK READY

Designed for jobs where mobility, protection, and durability all matter.

DEPENDABLE DAILY COMFORT

Lightweight construction helps keep workers comfortable through full days of active work.

ARC RATING: 9.8 cal/cm² | CAT 2

COMPLIANT WITH: ASTM F1506, CSA Z462, NFPA® 70E, NFPA® 2112, OSHA 1910.269

HOW TO MEASURE

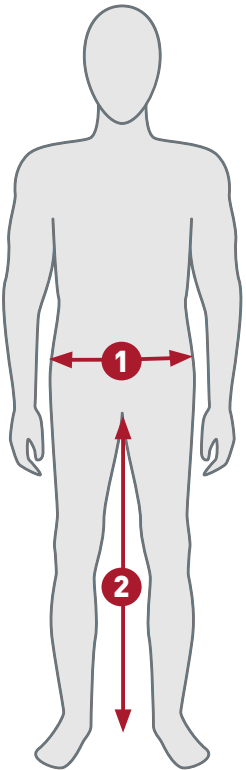

1 WAIST

Measure around your natural waist, where your waist bends side to side.
NOTE: This may not be the smallest point.

2 INSEAM

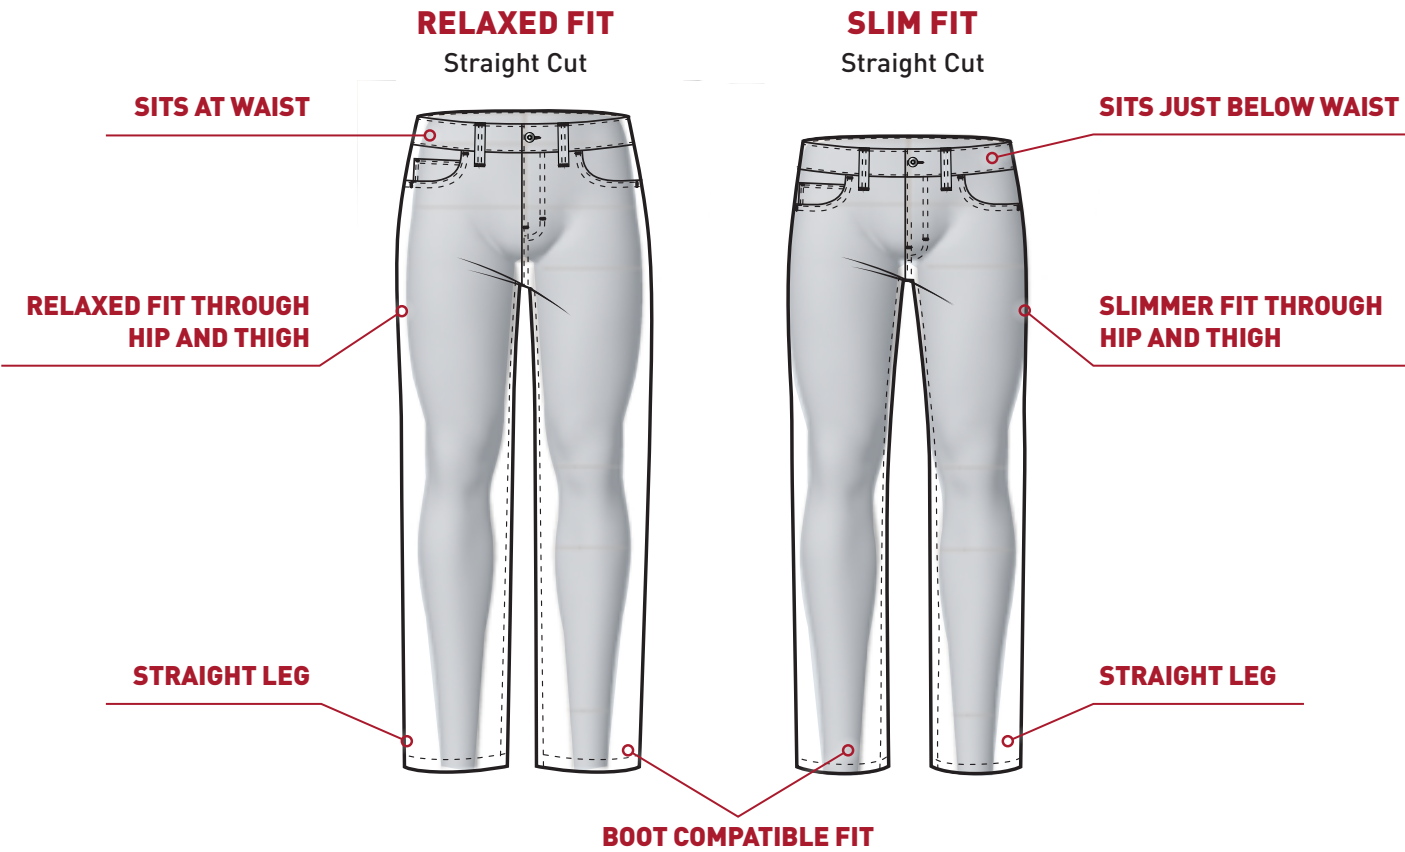

Measure vertically, from the top of your inner thigh to the floor, without wearing shoes.

NOTE: Measurements are body measurements to help determine what size garment a person should order. For best results, measure over fitted undergarments. If your measurement falls between sizes, it is recommended that the larger size be purchased.

PANT SIZE	BODY MEASUREMENTS	
	WAIST (in)	SEAT (in)
30	31	37
31	32	38
32	33	39
33	34	40
34	35	41
35	36	42
36	37	43
38	39	45
40	41	47
42	43	49
44	45	51
46	47	53
48	49	55
50	51	57

FIT COMPARISON

BUILT FOR THE WAY YOU WORK

From modern FR denim to utility-driven work pants, the DRIFIRE® FR Pant platform gives workers the right fit, fabric, and function for the job.

CHOOSE MODERN DENIM

Slim Straight Leg FR Jean delivers a cleaner profile with lightweight stretch comfort.

CHOOSE EVERYDAY COMFORT

Relaxed Straight Leg FR Jean offers a roomier fit with a more substantial work-jean feel.

CHOOSE MAXIMUM FUNCTION

Range Flex™ Pro adds FR flex canvas, gusseted mobility, double-layer knees, and multiple pockets for cargo-ready utility.

CHOOSE LIGHTWEIGHT TOUGHNESS

Ripstop Relaxed Straight Leg FR Pant brings GlenGuard FR ripstop durability to a lighter work-pant option.
